AUDITION signups will open Nov. 20th and close Nov. 27th. To sign up for auditions and print the audition form, please see website above. Auditions will be held in the evening starting Nov. 30th through Dec. 3rd. "Call Backs" (notified by phone) will be December 4th. At auditions, please look for a Parent Information Packet, Participation Contract, Mandatory Volunteer/Parent Information Form (Each family is required to perform 5 hours of volunteer work to support this production!), Rehearsal Schedule and Privacy Notice. This information must be completely filled out, signed and returned during auditions.

REHEARSALS will begin January 4th, after school (3:00-5:30 pm), at TMS. In February, rehearsal time will change to 5:30-8:30 pm.

There will be regular communication via email, and information concerning rehearsals, spirit wear, photos and DVD purchases will be on the website (above) as well.

We encourage any student interested in acting/singing/dancing to please consider auditioning for the show. The Arts build on other foundational skills and are critical to helping our children learn about their world in a broader context, creatively express themselves as individuals and live healthier and more productive lives.

Please consider being part of the Tahoma Drama Booster Club, TahomaDramaBoosterClub@hotmail.com. This club supports productions from middle school to high school.

Thank you! *CINDERELLA* Production Team
