

TJH/MS PTA's Seeking Nominations for Outstanding Educator & Golden Acorn Awards

Through out the school year PTA committee members will be on a quest to recognize those outstanding people who make an amazing difference with our students and our schools. The Outstanding Educator and Golden Acorn honors are awarded to individuals who have consistently provided dedicated service at Tahoma and Cedar River Middle Schools and Tahoma Junior High.

These awards are presented to administrators, teachers and volunteers for their exceptional contributions to the Tahoma School District. The Outstanding Educator Award recognizes individuals who rise above the normal expectations of their job to make the learning environment inspirational, fun and effective. The Golden Acorn Award is given to a volunteer in recognition of service that has gone "above and beyond".

The committee is asking parents and students for help in making this special selection. If you or someone you know has benefitted from the exceptional actions of an administrator, teacher, staff or volunteer, now is the time to have your voice heard. Support the PTA in recognizing these community contributors by submitting a nomination. Different from previous years, TJH/MS PTA will be taking nominations all school year, up to April 20, 2012.

It's easy to make a nomination, and with the end of the first semester upon us, now is the perfect time! Simply follow the directions on the nomination form found at the PTA website (<http://swift.tahoma.wednet.edu./csc/mpta/>).
