

INTERLOCAL AGREEMENT FOR PROVISION OF  
INSTRUCTIONAL MATH COACH

THIS AGREEMENT is by and between the Tahoma and Snoqualmie Valley School Districts (hereinafter "School Districts"), both municipal corporations.

WHEREAS, the School Districts find that it is fiscally prudent to combine resources to employ an Instructional Math Coach, who would serve both School Districts.

NOW THEREFORE, under the authority of chapter 39.34 RCW the School Districts do covenant and agree as follows:

- I. DURATION: This Agreement shall be in force starting September 1, 2008. It shall be in force for a period of one year. If either School District terminates this Agreement, that School District shall be liable for its percentage share of the costs for the remainder of that school year.
- II. PURPOSE: This Agreement is intended, insofar as consistent with presently available financial and human resources, to facilitate the School Districts' ability to offer Instructional coaching support in their districts.
- III. FINANCING: Pursuant to the terms and conditions set forth herein, costs of hiring and retaining the 1.200 FTE Instructional Math Coach, and any indirect costs of providing the service, will be split among the School Districts. The Snoqualmie Valley School District will be responsible for 0.500 FTE and the Tahoma School District will be responsible for 0.700 FTE - a total of 1.200 FTE. The Snoqualmie Valley School District shall be the employer of the instructional math coach and shall bill the Tahoma School District monthly for its percentage share of this outlay. If either School District terminates this Agreement, no longer requires Services, or is prohibited from using the services provided by this agreement, that School District shall be liable for its percentage share of the costs for the remainder of that school year.
- IV. ADMINISTRATION: This Agreement shall be administered by the Business Manager of the Snoqualmie Valley School District.
- V. TERMS AND CONDITIONS:
  - a. After hiring, the Instructional Math Coach shall be the employee of the Snoqualmie Valley School District. The Snoqualmie Valley School District shall determine, in its sole discretion, whether to non-renew any contract for any given year.
  - b. The Instructional Math Coach shall provide instructional support to students as requested by math faculty at the respective school districts.
