

FREQUENTLY ASKED QUESTIONS

What are Swift Sites

SWIFT is the teachers individual website where assignments and homework for the day is posted. Many documents and other information can also be found here. To enter **SWIFT**- click on '**staff e-mails** and **websites**' link on far left. This pulls up all the staff at CRMS. To check a particular teacher's class, click on that teacher's link to their website. You will then be linked to their '**homepage**'. Homework can be found in one of two places depending on the '*teacher*'- (events/homework). Events are a calendar that will have the assignment listed on that date it was assigned with a due date.
