

Calling Guest Readers

Shadow Lake Students and Teachers need you!!

The Shadow Lake PTA is looking for community contributors from our local area to share their joy of reading with classes throughout the Guest Reader Week during our Read-A-Thon Fundraiser from February 27th through March 2th, 2012.

Readers can be parents, grandparents, neighbors, friends, businessmen, firemen, librarians, mentor students and local club leaders. Anyone who has a passion for reading and is willing to spend 20-30 minutes sharing the fun of reading out loud to a class of students. Students see first-hand how important reading is in any life choice and they get to count any guest readers time into their total minutes read for reading sponsorships during our Read-a-Thon Fundraiser.

This win-win combination is fun for everyone involved.

Last year, the school earned over \$10,000 by asking kids to read and community members to help. We had more than 40 readers in classrooms, lunch time, and at home to share the value of reading and help the Shadow Lake PTA raise money to pay for great programs at Shadow Lake.

We need readers to sign up between now and February 15th so we can match them up to the teacher schedule and availability. Please contact Michelle Behrendt at m.behrendt@msn.com if you would like further information or check out the SLES PTA website for the Guest Reader Volunteer Information Sheet and submit to Michelle or the school office.
